

Concourse D, DXB Terminal 1

The key and final element of Dubai Airports' strategic expansion plan at Dubai International (DXB), Concourse D is home to 60 international airlines operating into DXB. Concourse D opened on February 24, 2016 with the arrival of British Airways flight BA105.

Concourse D increased DXB's annual capacity to 90 million passengers, and serves Terminal 1 to which it is connected through an elevated rail system with a transit time of 2 minutes.
